

# High-Impact Leadership Series

*Where Leadership Meets Execution*

Step into a learning journey, a four-part leadership series designed to build real-world capability.

Each episode combines BTS's experiential learning with practical tools to help leaders drive impact across team, business, and change.

EPISODE 1

## Lead the TEAM

### Elevating the Multipliers Leadership Mindset

Unlock your team's full potential by shifting from being the genius to building genius around you.

This workshop equips leaders with the ability to identify and develop Multipliers behaviors that enhance team performance, collaboration, and organizational success.

*Thursday, 21 Aug 2025*

EPISODE 2

## Lead the BUSINESS

### Making Strategic Decisions That Drive Impact

Balance trade-offs. Think commercially. Drive execution with confidence.

This workshop equips leaders with the ability to make strategic, data-driven decisions by understanding business trade-offs, financial impacts, and market dynamics.

*Thursday, 18 Sep 2025*

EPISODE 3

## Lead the CHANGE

### Leading through Change with Confidence

Empower teams. Drive alignment. Lead transformation.

This workshop equips leaders with the skills and confidence to lead change effectively, ensuring alignment, engagement, and adaptability in a dynamic business environment.

*Thursday, 23 Oct 2025*

EPISODE 4

## Lead Daily PERFORMANCE

### Symphony of Leadership: Aligning Strategy & Execution

A masterclass in leading with harmony, alignment, and strategic flow.

This workshop equips leaders with the skills and mindset to harmonize strategy, operations, and collaboration across organization.

*Thursday, 20 Nov 2025*

*Who should join*

Mid-level managers, team leaders, business professionals, emerging leaders or high-potential talents, HR and L&D partners
